

When life gives you loose thread, make some stitches

Knit and Crochet Classes

Hello and Welcome! Thank you for expressing interest in Knit and Crochet Classes at Megan's Sewing Box. This skill lasts a lifetime, and what better time to start than right now? Here are some things to know to get you started.

Classes are grouped by experience level to the best of my knowledge/ability. I offer both Private and Group Lessons.

Start your journey in Knit and/or Crochet, or refresh your skills with an Introduction Class, and then go from there!

A supplies list is provided for each class series.

After an introduction class, you can join a Knit and/or Crochet group (or create your own!) that will meet once a week, for an hour and a half, for three weeks (4+ hours of instruction). For example, a group of four will meet the first three Thursday evenings in March from 6-7:30pm.

You have the flexibility to select your own projects and work at your own pace, using class time for guided instruction. So, bring your questions!

*Megan's Sewing Box
Haddonfield, NJ*

You'll be making it yourself in no time. See you there!
