

### *Girls Sewing Class Information*

*Hello and Welcome! Thank you for expressing interest in Girls Sewing Classes. This skill lasts a lifetime, and what better time to start than right now? Here are some things to know to get you started.*

*Girls Sewing Classes are recommended for ages 6+. Classes are grouped by experience level, keeping age in mind as well. After all, sewing is very SEWCIAL!*

*Girls Sewing Lessons are given in a series of three class meetings.*

*A shopping supplies list is provided for each class series. (I suggest Joann Fabrics, Hobby Lobby, or Walmart)*

*Classes meet in groups, once a week, for an hour and a half, for three weeks (4+ hours of instruction).*

*For example, a group of four will meet the first three Thursday evenings in March from 6-7:30pm.*

*Each series of classes has a project to be made and various skills to be learned!*

*First Class Series Project(s): Drawstring Bag and Hair Accessories*

*Second Class Series Project: Elastic Waistband Skirt*

*Third Class Series Project: Pajama Pants*

*And Sew On!*

*She'll be making it herself in no time. See you there!*

*Megan's Sewing Box  
Egg Harbor Township, NJ*
